Official Memorandum No. 12864-71, dated 19—26th May 1908.

Subject :—

1. Letter No. 335, dated 15th February 1907, from the Deputy Commissioner, Chitaldrug District, submitting proposals for the adoption of a fortnightly diary to be maintained by shekdars.

No. 511, dated 3rd April 1907, Kadur
No. 640, dated 11th April 1907, Tumkur.
No. 690, dated 7th May 1907, Shimoga.
No. 814, dated 23rd May 1907, Mysore
No. 162, dated 6th July 1907, Kolar.
No. 121—S., dated 20th August 1907, Hassan.
No. 458, dated 17th January 1905, Bangalore.

2. Replies from the Deputy Commissioners of the other districts (as noted in the margin) to this office Circular No. 10854-60, dated 18th March 1907, calling for their opinions on the subject.

The Deputy Commissioners of all the districts except Mysore and Hassan are in favor of the proposal to prescribe a diary of work to be maintained by shekdars. In the Shimoga and Kadur Districts the submission of diaries is reported to be in force, the form adopted in the two districts being identical and consisting of 12 columns requiring information on various points relating to inspection of boundary marks and village accounts, sanitary condition of the villages inspected, etc., with a summary of the work done by the shekdar during the fortnight. The Deputy Commissioners of Bangalore, Kolar and Tumkur Districts consider the form well adopted for the diary and recommend its introduction so as to give them a means of checking the work of the shekdars. The Deputy Commissioners of Mysore and Hassan, on the other hand, are of opinion that the shekdar ought not to be burdened with the work of writing fortnightly diaries which will take up much of his time and will interfere with his executive duties. The former thinks that the Amildar can exercise effective supervision over the work of the shekdar even without the aid of his diary, provided the Amildar realises his responsibilities in the matter. The latter is of opinion that it is sufficient to require a monthly diary being maintained containing a concise statement of the work done by the shekdar from day to day.

2. The Revenue Commissioner is not in favor of prescribing a diary such as that proposed by the Deputy Commissioner, Chitaldrug. The Amildar is responsible to see that the shekdars do their work properly and the "To" and "From" Registers should show what papers are pending. But in accordance with the general opinion of the Deputy Commissioners a simple diary may be prescribed for the purpose. The Revenue Commissioner directs that a monthly diary in the Form A appended hereto showing the work done by the shekdars from day to day may be adopted in all the districts. These diaries will, on receipt from the shekdars, be submitted by the Amildar with his remarks, to the Sub-Division Officer together with an abstract (in Form B) similar to the one used in connection with the itineration journals of Amildars submitted to this office. The Sub-Division Officer may be required to check the original diaries and return them with his remarks for the guidance of the shekdars and submit the abstract referred to, with his review thereon to the Deputy Commissioner for information and needful orders, if any.

The printed form of diary submitted by the Deputy Commissioner, Chitaldrug, reported to be in use in the Shimoga and Kadur Districts being needlessly elaborate and involving a considerable amount of writing work may be discontinued.
